Welcome

We are delighted to welcome you on behalf of the Executive Headteacher and Head of School to our unique and nurturing junior school, which is part of The Federation of Guillemont Junior School and Pinewood Infant School.

At Guillemont, we believe in creating an inclusive and caring environment where every child can thrive. We value strong partnerships between home and school, and your involvement is an important part of our learning community.

Our dedicated team delivers high-quality teaching and inspiring learning experiences that engage every child. We provide a broad and balanced curriculum and, by fostering a love of learning, we aim to equip our children with the skills, knowledge and motivation they need to succeed in life.

We are fortunate to have wonderful indoor and outdoor facilities on our site. These include an amphitheatre, an adventure playground, an outdoor classroom and woodland, a huge climbing frame, a pond, two spectacular chillout rooms, Lunchtime Lounge with a pool table and even an aviary. All of these enrich our curriculum and provide real-life experiences for our children.

But don't just take our word for it – come and visit us to see the exciting learning adventures taking place every day!

Mr Paul Shakespeare & Ms Kristy Llewellyn
Executive Headteacher & Head of School

"The school is led with compassion and determination." Ofsted 2025

Our Vision And Values

Created together by children, staff, parents and governors, our vision guides everything we do:

Nurturing Every Child
We value the unique qualities of every child, encouraging independence, confidence and resilience.

Inclusive Culture & A Sense Of Belonging
Our inclusive culture creates identity and belonging, where children value themselves, each other and the wider world.

Celebrate Diversity
We celebrate diversity and inspire children to set ambitious goals, believing they can achieve beyond limits.

Positive Relationships
We view behaviour as communication. Our restorative approach helps children understand and regulate their emotions.

Love Of Learning
Through real, enriching experiences, we develop cultural capital, curiosity and a lifelong thirst for knowledge.

Creativity & Curiosity
We encourage safe risk-taking and problem-solving in stimulating environments indoors and outdoors.

Children At The Heart
Our children's voices shape our school and its future. They are at the centre of everything we do.

"Parents and carers speak highly of the school's ethos... Pupils proudly live out the school values..." Ofsted 2025

Cornet, Saxophone, Violin,
Choir, Keyboard, Ukulele,
Guitar, Rocksteady

"A rich range of...extra-curricular activities enrich school life and help to promote pupils' talents and interests." Ofsted 2025

Reading

"Pupils develop a love for reading." Ofsted 2025

It is our belief that reading unlocks learning across the whole curriculum, therefore reading and vocabulary development have a high profile and are at the heart of our curriculum.

At Guillemont, through reading and listening to a range of rich, diverse texts, children develop in a range of ways: culturally, emotionally, intellectually, socially and spiritually.

Children are able to read easily, fluently and with good understanding in order to become confident communicators, who are ready to participate fully in society and their next phase of learning.

We value reading so highly that children leave with a habit of 'reading for pleasure' and will be self-motivated to acquire new knowledge that builds on what they already know.

Where children need extra support for reading and phonics, we run a highly-successful provision using Read, Write Inc.

Read Write Inc. Phonics

Read Write Inc. Fresh Start

"High-quality teaching of phonics and reading ensures that pupils learn to read with fluency, confidence and expression." Ofsted 2025

Resourced Provisions

For Speech, Language And Communication Needs & Autism Spectrum Condition

A Resourced Provision is a specialised educational centre within a mainstream school that provides targeted support for students with additional needs. At Guillemont, we have two Resourced Provisions; one supports children with Autism and the other supports children with speech, language and communication needs.

Resourced Provisions offer a tailored learning environment where lessons and individualised provisions help students access the National Curriculum while still being integrated into the wider school community through other lessons, playtimes, experience days and trips alongside their mainstream counterparts.

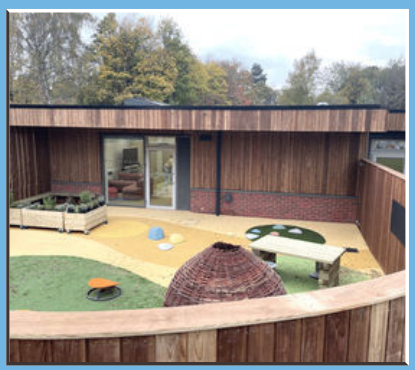

We have had years of benefitting from the resources and expertise that come with such a provision and these further enhance our ability to support ALL children within the school.

To watch the video of the grand opening of the new RP for ASC, scan the QR code.

"Pupils in the specially resourced provisions flourish with caring, targeted and expert help." Ofsted 2025

Before And After School Club

BASC (Before And After School Club) is part of our school's offer (Ofsted Registration No 116157). It is open 7:45am – 8:30am and 3:25 – 6:00pm weekdays, during term time only and is available to children who attend the school. Sessions take place in our designated BASC rooms and children can access the school playground and adventure play equipment.

At BASC, we aim to provide a safe, secure and relaxed environment, offering a range of activities to reflect the interests of the children so that they can play, learn and grow personally. They can gain the knowledge of teamwork, respect and general life skills that will nurture and develop them to their full potential during their time with us, which we believe will support them in their future journeys through life.
